

Camera & Lens Rental

Camera Rental – Professional Quality, Limited Availability

Capture your safari in stunning detail with our professional camera rental.

We offer one complete set, featuring a Canon 1DX Mark II paired with a range of high-quality EF lenses, perfect for both close-up wildlife shots and sweeping landscapes.

As this is our only set, availability is limited, and advance booking is highly recommended.

Create unforgettable images of your Ximuwu experience with equipment trusted by professionals worldwide.
