The Ximuwu Hideaway is a modern bush villa with three spacious bedrooms. Originally built as a private residence for a senior executive, it offers absolute privacy and space.

Your own luxury safari home.

ZAR 50.000

Villa per night, for 4 guests,
each additional guest ZAR 6000

Two daily game drives are included during your stay at The Hideaway. Explore Africa's wildlife up close and return to the comfort of your private villa after each adventure. Our highly experienced guide and tracker team lead every drive. They read the bush, follow fresh tracks, and know where to find the animals. This turns every outing into a story, not just a drive. You enjoy nature, we take care of everything.

The Hideaway is not a typical guesthouse. It is a private retreat in the Greater Kruger, with space, freedom and affordable luxury. Nature, simplicity and comfort — in perfect balance.

FEEL AT HOME IN THE AFRICAN WILDERNESS

The Hideaway gives you more space, more independence and the comfort of a private villa.

Without butler or bar service, you enjoy complete privacy and the freedom to unwind in your own way.

A dedicated chef prepares delicious South African dishes, all beautifully presented and tailored to your tastes.

Our drink selection is proudly local, with a curated choice of South African wines, spirits and craft beers to elevate every meal.

The Hideaway sleeps up to six guests in three spacious bedrooms.

It is the ideal retreat for families or small groups wanting to slow down, reconnect and enjoy the African wilderness in total comfort.
